The Focus Forums

Three-year plan:

Focus on 3 higher-level domains in the NRP:

Fluency (2002), Vocabulary (2003), Comprehension
(2004)

- Speakers
- Readings/articles

Driving questions

- How have the lines of research that represented prominent conclusions in a domain within the NRP been extended and elaborated?
- What are the conclusions of lines of research to the persistent questions that the NRP identified?
