© 2007 by ACKERF at Flickr. Some rights reserved (<http://creativecommons.org/licenses/by-nc-nd/2.0>).

There is a big barn on the farm. The barn is for the cows. They stay in the barn at night.

© 2008 by Jon Anderson. Some rights reserved (<http://creativecommons.org/licenses/by-nc-nd/2.0>).

During the day, the cows are in the field where they eat a lot of grass. They swallow the grass but do not chew it.

In the Field

We see horses on our visit to the farm. The horses spend the day in the field where they often run around.

© 2010 by Lynae Zebest. Some rights reserved (<http://creativecommons.org/licenses/by-nc-nd/2.0/>).

Sometimes the horses go to the water tank to get a drink. They eat foods like grass and hay. An apple is a special treat for a horse.

In the Chicken Coop

At night, the chickens go inside the chicken coop. They make nests and sleep inside the chicken coop.

© 2009 by mollypop at Flickr. Some rights reserved (<http://creativecommons.org/licenses/by/2.0>).

Chickens spend their day in a special yard on the farm. The farmer leaves seeds in the yard for the chickens to eat.

© 2011 by Johnida Dockens. Some rights reserved (<http://creativecommons.org/licenses/by-nc-nd/2.0>).

The farmer also leaves water for the chickens. If the chickens get out of the special yard, the farmer may not find the eggs that the chickens lay.

© 2009 by Andrea Janda. Some rights reserved (<http://creativecommons.org/licenses/by-nc-nd/2.0>).

Deer can often be found in places with lots of trees. Deer like to eat the leaves and seeds of trees. By lying down under tree branches, deer can rest and hide from other animals.

© 2009 by canopic at Flickr. Some rights reserved (<http://creativecommons.org/licenses/by-nd/2.0>).

Deer take lots of short naps. They do not sleep very long at any one time.

Up in the Trees
